BUGS, FLEAS, MOTHS, BEETLES, and all other Insects, are Destroyed by KEATING'S Insect Powder, which is quite harmless to Domestic Animals. In exterminating Beetles the success of this Powder is extraordinary, and no one need be troubled by these pests. It is perfectly clean in application. Ask for, and take no other than "KEATING'S POWDER," as imitations are noxious, and fail in giving satisfaction. Sold by All Chemists in small Bottles. [733]

[illegible]

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor creases and discoloration. A large, dark, irregular stain is visible on the right side of the page. In the top left corner, there are some faint, illegible markings that appear to be remnants of text or a stamp. The overall tone of the page is warm and slightly yellowed, characteristic of old paper.
